Training in the 21st Century

Successful participants will take, and use, the skills from LeadershipWest back to their business.

LeadershipWest is THE exclusive leadership training series for members of ChamberWest.

As an attendee, you will participate in exercises that include team building, communication and life balance skills to make you a more successful future leader in your organization. Sessions are held one day each month from September through May. The sessions begin at 8:00 a.m. and conclude at approximately 4:00 p.m.

LeadershipWest includes opportunities to learn about the community, develop leadership skills and much more!!

LeadershipWest is one way you can stay on top of business trends and area resources to take your organization to the next level.

WOW! What Have Others Said?

What information could you pick up? Here is what other LeadershipWest participants have said:

"This has opened my eyes to seeing what our community has to offer."

"LeadershipWest provided a great opportunity to network with other people and see what the other organizations do and how I can implement that in my job."

"LeadershipWest training exceeded my expectations more than graduate school. It better addressed promoting personal and professional developmental skills. We were introduced to community and business leaders which provided outstanding networking opportunities; all vital in surviving today's competitive economy." George Sadowski, Board member, Kearns Improvement District
